Mrs. M. F. Collier,
605 N. Monroe St.,
Little Rock, Ark.

Dear Mrs. Collier:

I have yours of March 28th from El Paso, and beg to herewith enclose you a partial genealogy of the Colliers from England up to date. A part of the genealogy we got over in England while on a trip there; a part was gotten from the Library in New York; a part in Richmond, Virginia; and the other here in Georgia.

The name "Harrison" is very familiar, as Vines Collier married Sallie Harrison. James J. Collier is in the family, as there is a young man that is the grandson of Efford Cobb Collier, who is named in the genealogy, now residing in Jacksonville, Texas. The names of Martha and Elizabeth have been in the family for many generations. I have a daughter by the name of Elizabeth and a cousin by the name of Martha. Sarah has always been in the Collier family. I have had correspondence with Mr. J. P. Collier, of Waco, Texas, but do not know him personally.

There is a granddaughter of Efford Cobb Collier, who went from Georgia to Douglasville, Texas, in 1857, living in El Paso, Mrs. A. M. Harryman, 3608 Pershing Drive. There is also a Methodist Preacher residing in El Paso that used to be my Pastor, Rev. Wasson.

With very kind regards, I beg to remain

Yours most respectfully,
